Subject: Letter of Confirmation of Accreditation

Dear Mr. Lundblad,

We are pleased to inform you that, following consideration of the recommendation of the Membership Accreditation Committee (MAC), the TI Board of Directors has decided to reconfirm your Chapter's status as an accredited National Chapter of Transparency International pursuant to the terms of TI's "National Chapter Accreditation Policy". This decision is under the understanding that your Chapter agrees to the content of this letter and the attached Accreditation Agreement.

Transparency International Greenland will therefore continue as a fully accredited National Chapter of Transparency International, enjoying all the rights and privileges of a Member of TI under the TI Charter. We also are pleased to acknowledge that your Chapter continues to make a significant contribution to the TI Movement in your country and that the Movement is truly grateful to you and your colleagues for that.

To further improve your Chapter's performance, your Chapter is:

- **Within 3 months:**
 - Asked to reintroduce approval of membership applications by the Board to ensure adequate due diligence.
 - Asked to create and publish Board members' CVs/biographies and to update their registers of interest at least once a year.
- **Within 6 months:**
 - Asked to introduce a limit to the number of terms Board members can serve in addition to the current limit for the Chair of the Board.
 - Asked to include a provision for the abstention of Organisational members from voting in cases which concern them in its conflict-of-interest policy in line with current plans.
 - Asked to develop a Paid Services Policy in addition to the price list.
 - Asked to develop a formal donations policy to enable the rejection of funding that may harm the organisation or the TI Movement as planned.
- Asked to continue its efforts to further strengthen gender diversity within the Board.
- Encouraged to prioritise the efforts to increase its Individual Membership, for example through a new communication strategy as planned.

Sincerely yours

François Vaérian
Chair, Board of Directors

Note:

Confirmation of accreditation is conditional on receipt by the TI Secretariat in Berlin no later than three months from the date of this letter of:

1. One scanned copy of this letter countersigned by you to confirm the agreement of the Chapter to its contents.
2. One scanned copy of the enclosed Accreditation Agreement signed by you on behalf of the Chapter, which will be countersigned on behalf of TI and returned to you for your records.

The Accreditation Agreement follows the format approved by the TI Board and the Membership Accreditation Committee on 2 June 2005 and is in line with the Accreditation Policy approved by the Annual Membership Meeting but could be subject to future amendments as a result of policy changes approved by future Membership Meetings of Transparency International.

The Glossary of Terms (in addendum), approved by the TI Board and the Membership Accreditation Committee on 15 September 2018, aim to provide clarity on the various types of follow-up expected from TI Chapters when applicable.
